CONDITIONS OF PARTICIPATION

To participate in this conference it is first necessary to contact the Organizing Committee bogomoletc.planta@gmail.com and to send the electronic version of the abstract and poster, **January 15, 2026**.

Please note!

*The level of uniqueness of the author's text is determined for all materials using the **StrikePlagiarism** software.*

The authors are responsible for the content and accuracy of their information.

Materials that do not meet the requirements for registration, need substantial editing, or are received after the deadline may be rejected, and the authors will be so informed.

Participation in the conference is free, without fees.

ABSTRACT SUBMISSION

The abstract should be prepared using software compatible with Microsoft Word (*.doc or *.docx). Total size of the abstract (A4 format), including tables, pictures, and references, can be **up to 4 FULL pages** (*in case of other design, the materials will not be accepted for printing*).

All margins must be 2 cm, Times New Roman font, font size 14, single spacing, paragraph indentation of 1.25 cm, spacing before and after paragraph is 0 pt (absent), full justification, without hyphenation, portrait orientation, no numbering on pages.

The abstract heading includes: first line – abstract title (**CAPITAL LETTERS, BOLD**); second line – last names and initials of the authors separated by commas (***bold italics***); third line – full title of the organization, city, country (**bold**); fourth line – e-mails of all authors; and fifth line – key words (up to 5 words). The body of the abstract follows one blank line.

The abstracts should contain the following parts: **introduction, materials and methods, results and their discussion, conclusions**. After the body of the abstract the list of references is given in APA style (not more than 10 sources in alphabetical order). The references are given in the text using the list number of the source, in square brackets.

Tables should have a title (**bold**, centered), and numbering (right-aligned). Figures should have a title with its number after the abbreviation Fig. (left-aligned).

Chemical structures are given in IsisDraw format, mathematical formulations should use the built-in editor, Microsoft Equation; pictures and figures should be in *.jpg or *.tiff.

Latin names of biological objects are given in *italics*. Use no abbreviations of words or terms in the title of the publication; abbreviations in the text may be established with the first mention. Publications will use the SI system of units.

One file should contain only one abstract. The file name should correspond with the name of the first author (e.g., Ivanov A.A.doc). If more than one abstract is submitted by one author, the files should be numbered with Arabic numerals (e.g., Ivanov A.A.1.doc).

POSTER SUBMISSION

The poster presentation is designed in Microsoft Power Point in *.ppt or *.pptx format. Submitted poster presentations will be posted on the website of the Bogomolets National Medical University on the page of the Department of Pharmacognosy and Botany on the day of the conference in the Planta+ section.
